#### How to read this schedule

- The top row is the run number, which will be displayed on the passenger side of the bus above the dash board.
- The first column on the left shows pick up points and the destinations of the buses.
- The timetable is read from the top of the column to the bottom of the column. The timetable shows when the bus stops. Times are always approximate and depend upon traffic and weather conditions. It is recommended to be at the stop early.
- If no time is listed, the run will not serve that point.

**The Loudoun County Transit Commuter bus service received many comments regarding changes to the Lowes Island Pickup schedule. Your comments and suggestions have helped us adjust this schedule in a manner that is more equitable for all.**

## **Thank You!!**

Your comments have also made us realize that we need to provide an explanation for these changes.

The Loudoun County commuter bus service currently leases 65 parking spaces for commuters at the Great Falls Plaza shopping center. On Tuesday, July 18<sup>th</sup>, and on many other days, there are over 80 vehicles parking in this lot with approximately 45 additional riders either walking, biking, or being dropped off. This equates to over 100 vehicles parking on this lot on bad weather days, and, as you know, this number will rise significantly when school begins this fall. The Loudoun County commuter bus service has been asked by the landlord to limit our parking to the designated spaces or risk the termination of the lease. We have inquired as to whether we could lease additional spaces, but this is prohibited by zoning requirements.

We have been proactively searching for another park and ride lot in this area. Our Lady of Hope has agreed to allow commuter parking in 97 spaces of their church lot. To insure that the parking at Great Falls Plaza is controlled, some bus pickups had to be relocated to the new lot at Our Lady of Hope.

The most frequent comment received on the draft schedule was “move any other bus, but do not move my bus.” This is not a solution. The second most frequent comment was “move alternating buses.” This past week, staff was on site at Great Falls Plaza counting parkers, riders, walkers, etc. to see if this second alternative could be accomplished. It appears that this alternative will solve the parking problem for the near future, and the bus stop at Great Falls Plaza can be preserved for some riders. Future overcrowding of this lot will be addressed as it occurs, and may require the relocation of additional bus pickup(s).

Thus, the following is a summary of the changes to this schedule:

- 1) A later bus, **the C7**, has been added in the morning (8:03am – Broad Run, 8:12 am – Cascades, and 8:16am – Our Lady of Hope)
- 2) **The C2**(5:56 am – Front), C4(6:53 am - Front), and C6 (7:52 am - Back) will continue to pick up at the Great Falls Plaza
- 3) The Our Lady of Hope will become the new pick up location for **the C1**(5:21 am), **C3**(6:14 am), **C5**(7:14 am), and the **new C7**(8:16 am) in the morning.
- 4) Due to the proximity of Our Lady of Hope to the Cascades lot, the pick up times for the C3, C4, and C5 are 1 minute earlier than the old schedule.
- 5) Afternoon buses will stop at all locations.
- 6) An additional evening bus has been added. The C7 will depart from the West Falls Church Metro Station @ 7:07 pm and stop at Lowes Island, Our Lady of Hope, Cascades and Broad Run Farms.
